

Measuring and Monitoring ALL That Matters

Integrating Narrative Capture, Insights, Feedback,
Innovation, and Impact assessment

Dave Snowden Cognitive Edge : International Sensemaker™
Projects

Viv Read : Meals on Wheels Sensemaker™ Research
Projects

Explore the application of complexity principles, Cognitive
Edge methods and Sensemaker™ software in

- Moving beyond outputs and kpi's to track impact over time
- Engaging those with lived experience throughout a project/
program
- Ongoing capture and feedback of narrative experience for
monitoring and innovation
- How these approaches might assist you on addressing your
current challenges
